

FINGER GUNS ONLY

THE OFFICIAL STOP THE ARMS FAIR LAUNCH PARTY.

31/08/2019

dED are hosting a launch party to bring people together to engage in peace movements and enjoy a night of dance and music.

We aim to prepare people for the Stop The Arms Fair protest which will take place 2 weeks after the party and aims to stop one of the world's biggest arms fairs from coming to London.

MUSICIANS - PERFORMERS - ARTISTS

We are looking for people to join us at BLOC London on the 31st of August to help us engage students and more in the anti arms trade movement.

PARTY CONCEPT

Post Military Utopia: The dark misery of war has not been forgotten, but the world has evolved. It is time to reflect on musicians, activists, and artists throughout history whose hard work and expression helped drive people into a demilitarised, peaceful future.

STOP THE ARMS FAIR

The UK sells arms to [18 human rights](#) watch countries and every other year host one of the worlds biggest arms fairs, [DSEI](#).

The party will kick off over a week of action and protests to [Stop the Arms Fair](#). The Saudi military is just one example of the people coming to England to buy military equipment...the 2019 protest is set to be the biggest yet and together we aim to show the world that London does not support war crimes.

Profits will go to Demilitarise Education (dED) a non-profit working to untangle, expose and end UK University ties to the global arms trade.

In partnership with [Campaign Against Arms Trade](#) a UK-based organisation working to end the international arms trade.

[Facebook community](#) - 42,000 people

This party is being organised by [Demilitarise Education](#) (dED) if you are intrested in joining this event please contact jinsella@ded1.co for details.
